

## ***2020-2021 Vista Murrieta High School Sapphires Color Guard Digital Auditions.***

- Step #1:***      *You should have already filled out the Google Doc Questionnaire @ [www.tinyurl.com/sapphires2020](http://www.tinyurl.com/sapphires2020). If you have not done so, make sure that gets done first, then continue with the rest of the audition process.*
- Step #2:***      *Introduction- Make a video recording introducing yourself. Let me know what grade you will be in next year, any dance/prior color guard experience and why you want to be a member of the Vista Murrieta Color Guard? Please watch this tutorial by Sergio Marquez-Johnson for help and complete information on what the digital audition process consists of. Make sure you watch this video! <https://youtu.be/HDamhf5ndjw>*
- Step #3:***      *Dance Audition- The Dance Audition will be taught by Matthew Bence, a member of our Color Guard Staff. He will break down the steps while facing the camera. This will give you a better idea of body facings. Matthew will show you what the dance choreography looks like with music and facing the camera. The tutorial and music file is attached to below. Once you feel like you have it down, record yourself doing the dance choreography with music facing the camera and save the file.*

*This should include your introduction, dance audition and flag audition. You should also attach a copy of your grades. Try to send us your video audition via a YouTube link. This will be easier for us to go through. If you cannot do that, then you can send us each file separately.*
